The emergency Board Meeting for the Village of Sadorus was called to order at 10:45 AM, by President **Ted Myhre**. Present were Trustees: **Ken Bragg, Greg Cozad, Cole Norton, Ken Peterson, Jim Thompson, and Joel Thompson**.

Public Comments:

There was no one else present therefore there were no public comments.

Emergency Agenda:

Ted Myhre gave an update regarding the current situation.

As a direct result of the severe weather event, the village president made public a local emergency proclamation which allows the Board to meet without the standard 48-hour public notice in order to make decisions to address the current emergency.

The village is not a member of IPWMAN so they are not available to provide assistance.

The village's IML RMA insurance covers up \$25,000 per event (\$10,000) per tree but they do not provide any assistance coordinating relief and recovery efforts.

The board discussed options that are available. The board selected a tentative plan and agreed to communicate it to the public by Facebook, word of mouth, and directly canvassing the village residents.

Cole Norton motioned to adjourn at 11:15 pm. **Jim Thompson** 2nd. RCVMC

Respectfully submitted,

Ted Myhre
Village President
